

Why Choose CPStencils?

AFFORDABLE

- High impact with low cost
- Alternative to costly climbing equipment
- Reusable
- No striping machine needed

EASY APPLICATION

- Perfect for volunteers
- No measuring required
- Durable, high quality plastic construction
- Taping and chalking lines not required

QUICK ENHANCEMENT

- Immediate results and recognition
- No state approvals required
- Completed in hours rather than days
- Great community event

BENEFITS FOR CHILDREN

- Increases physical activity
- Creates artistic, colorful environments
- Extends classroom concepts outdoors
- Minimizes bullying
